Welcome to NLIT Summit 2007!

Please take a moment to read through the contents of your NLIT Summit 2007 registration packet. Included are the Summit agenda and color-coded map, speaker bios and presentation abstracts, an overview of sponsor events, a pen drive with conference presentations, Summit evaluation forms, and a list of sponsoring vendors.

Messages

There will be a message board at the Summit registration desk. If a Summit attendee is not staying at the hotel and does not have voice-mail, messages left at the Hyatt Regency's front desk can be posted on the message board for them.

Cyber Café

This year's Summit will feature a Cyber Café located in the Boardroom East (to the left of the Summit registration desk). The Cyber Café will include innovative computing systems and a dedicated printer courtesy of TIG and Holman's.

Computer Support

As the Summit host, Sandia National Laboratories is providing computer-related technical support at the Hyatt Regency for the duration of the Summit. For more information about available services, please see the flyer included in your registration packet.

CIO Panel Questions

If you would like to submit a question to be answered by the CIO panel on Wednesday morning, please write down your question (on the card provided in your registration packet) and drop your question off at the Summit registration desk by noon on Tuesday.

Summit Evaluation Forms

There is an evaluation form for each day of the Summit in your registration packet. Please complete the appropriate form each day and turn it in at the Summit registration desk, so that we can address issues as they arise.

NLIT Summit 2007 Passport

This year's NLIT Summit includes a new activity and giveaway. Each time you visit a sponsor's booth in the Exhibit Hall, have the sponsor place a stamp, sticker, or initials on a NLIT Summit 2007 Passport. After you've visited at least six sponsors, drop your passport into the

---

Welcome from Planning Committee

Dear Summit Participants,

It is our pleasure to welcome you to the 2007 National Laboratories Information Technology (NLIT) Summit in Albuquerque.

This year's Summit will draw representatives and speakers from across the DOE complex to discuss the latest topics in information technology, including cyber security, emerging technologies, standardization, and management of policy, assets, projects, and customer relationships.

It's wonderful to see you here and we hope you have a great time at this year's Summit.

Sincerely,
NLIT Summit 2007 Planning Committee from SNL

National Laboratories Information Technology Summit

"Return Passports Here" box outside the Exhibit Hall. From the returned passports, door prize winners will be drawn the following morning at breakfast. For more information and instructions, please see one of the three passports included in your registration packet.

NLIT Summit 2007 Name Badges

Your NLIT Summit badge, given to you at registration, is your identification for admittance to all Summit facilities and activities, so please make sure that you wear your badge during the conference as well as at the evening events.
